Anti Bullying Policy

Rationale

This policy is to be used in conjunction with the Safeguarding Policy, Inclusion Policy, Care & Control Policy and Behaviour policy. The school also works in line with DfE guidelines Preventing and tackling bullying (March 2014) .

Aim:

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.
- That it will be understood that **everyone** needs to take responsibility for bullying
- To eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act
- To advance equality of opportunity between people who share a protected characteristic and people who do not share it
- To foster good relations between people who share a protected characteristic and people who do not share it.
- To comply with the new Equality Duty.

What we believe about bullying:

Eden Park Academy is committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. The school has a Bullying Champion (Fiona Barron) who looks at mediation and any other issues surrounding bullying and conflict resolution. We also cover the topic of bullying in many cross curricular lessons and ASDAN awards. The pupils of Eden Park are also responsible for their own Bullying Policy as part of the Participation work.

What Is Bullying?

Bullying is hurting another person deliberately and persistently. Bullying results in pain and distress to the victim.

Bullying can be:

- **Emotional** being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- **Physical** pushing, kicking, hitting, punching or any use of violence
- **Racist** racial taunts, graffiti, gestures
- **Sexual** unwanted physical contact or sexually abusive comments
- **Homophobic** because of, or focussing on the issue of sexuality
- **Verbal** -name-calling, sarcasm, spreading rumours, teasing or ostracising children from a group
- **Cyber** the rapid development of and widespread access to, technology has provided a new medium for 'virtual' bullying, which can occur in or outside school. Cyber-bullying is a different form of bullying and can happen at all times of the day, with a potentially bigger audience, and more accessories as people forward on content at a click. All areas of internet ,such as email & internet chat room misuse
- **Mobile** threats by text messaging & calls, misuse of associated technology , i.e. camera & video facilities (social net work)

Why is it Important to Respond to Bullying?

- Bullying causes pain.
- Everybody has the right to be treated with respect.
- To make our school a safer place
- To stop people being bullied and help the bullies become better people
- So that everyone is confident about school

What happens at our school if bullying is discovered?

It is important to tell someone so that the school can help

- Report bullying incidents to staff
- Peer Mediators may be used to deal with minor cases, but if they feel the situation is too serious for them, they must hand the case over to staff
- Pupils will be able to write down what has happened on an incident form
- We will bring the children together and ask them to discuss how they are feeling and ask them to listen to each other and try to reach a way forward (mediation)
- The bullying behaviour or threats of bullying must be investigated by the bullying champion
- In cases of **serious bullying**, the incidents will be recorded by class teachers in emails and sent to home managers
- In serious cases carers should be informed and will be asked to come in to a meeting to discuss the problem
- The school may arrange a meeting for both the bullied child and the child accused of bullying and their parents / carers with a mediator to try to resolve the situation
- If necessary and appropriate, police will be consulted by the Head Teacher
- Punishments will be tailored to age of child and circumstances. Details of punishments may be confidential.
- The person doing the bullying may be asked to genuinely apologise when they understand how they have hurt the person being bullied
- In serious cases of bullying, suspension or even exclusion will be considered by Head Teacher with the governors.

After the incident / incidents have been investigated and dealt with, each case will be monitored by Class Teacher and Senior Staff to ensure repeated bullying does not take place.
