

AIMS: Eden Park Academy - Muirkirk

Rationale:

At Eden Park Academy, we encourage our pupils to have active and creative minds, which in turn creates confident individuals who are able to make a positive contribution to society.

We strive to transform pupils' lives through learning, encouraging their academic, social and emotional development, as well as developing a sense of ambition.

Our school and its staff endeavour to create a safe environment, observing a purposeful code of conduct that ensures the well-being of its pupils.

Eden Park works in tandem with the parents and cares for its pupils, including all members of the school community as active participants in school life, that empowers "every pupil to achieve"

Aims of the School:

- Create a stimulating and happy environment in which "Every Pupil Achieves"
- Establish a caring community in which children are able to form mutually beneficial relationships
- Foster self-respect, self-discipline, responsibility and concern for others
- Develop pupils to a concern for their local and wider community
- Provide a broad, balanced, relevant, rich and differentiated curriculum
- Foster a positive and enquiring attitude to learning that encourages self-motivation and perseverance
- Promote close partnerships with parents/ guardians/carers and the local people and organisations;
- Provide a Curriculum of Excellence tailored to the needs of each child.
- Provide continual assessment and evaluation to monitor each child's progress.
